

Broker Value Offering

Did You Know?

PG Glass has a significantly increased range of close to 1 000 affordable alternate Safevue® windscreens. Safevue® is locally manufactured and fits most of the fast moving vehicle ranges in South Africa. Call NOW for assistance!

Zero excess applies to our fast-moving Safevue® range with all insurers that have a zero excess waiver

Forward facing camera technology (ADAS – Advanced Driver Assistance System) is provided at selected Fitment Centres to ensure those critical accident prevention systems continue to function effectively.

PG Glass leads the market with our Repair Before Replace™ strategy to ensure that we keep working with you to lower your claims ratio

The PG Glass highly trained teams are available to assist you in any of our 110 National Fitment Centres or through our professional Mobile Crews available nationally. Our new way of work ensures the safety of your policyholder, we sanitize each touchpoint before & after every fitment.

PG Glass also offers Full Sanitisation - a professional, medical grade disinfectant solution for vehicles & building interiors. Pricing available from the dedicated Broker Support team

Our dedicated Broker Support team is on stand-by to assist you with your claim services, simply e-mail brokers@pg.co.za call 010 045 9096
